Words to Describe Our Ideal Trip

One Fun Memory From This Trip:

Where Should We Go?

Travel Planning Conversation Starters

If we could travel anywhere right now, where would we go?

Do we want this trip to be relaxing, adventurous, or a mix of both?

What's one thing we absolutely must do on this trip?

Do we want to revisit a favorite place or explore somewhere new?

What's a place we've both been curious about visiting?

Would we rather take a road trip, fly somewhere, or try a cruise?

What's one bucket list activity we could check off on this trip?

Do we want to stay in one place or visit multiple locations on this trip?

Would we rather go somewhere warm or chilly?

Do we want to plan a surprise activity for each other?

How many days would be the perfect length for this trip?

Do we need to renew passports, get travel insurance or visas?

Would we rather have an active trip (hiking, exploring) or a relaxing trip (spa, beach days)?
